Dear Year Six Parents

We have a range of revision books available to buy from school to help support your child in preparing for their SATs exams which will take place in May. The pupils will sit three different types of tests: two written Maths and one mental maths; a Reading test and a Spelling, Punctuation and Grammar (SpaG) test.

For purchase, we have the latest CGP revision books. These are the most popular and reliable revision materials available to primary schools. They have been written to support the National Test framework and cover all of the content necessary for the end of year tests

There are four books available:

English – SATS question book,

English – spelling

English - grammar

Maths – SATS question book

As we have bought the books in bulk we are able to offer them to you at a reduced price of £2.50 per book, a total of cost of £10.00 should you buy all four.

Please pay for the books on the school app and indicate on the form which books you would like to buy. If you are buying more than one book you will need to pay the equivalent amount to books.

Thank you

Mrs Smith
